Mr. Forese,

In reference to docket # E-01345A-16-0036, I would like to express my dismay and serious concerns.

Many residents in Arizona are still trying to recover from the financial hurt of the past decade. Furthermore, wages are generally stagnant for those whose who make below \$100,000 and especially those below \$50,000.

I strongly believe that a rate hike from APS would be devastating to a large portion of our population. I urge you to recommend and vote for no rate changes at this time. If anything, we need lower rates for lower income residents.

Thank you,
Jason Dodson
